Happy Veterans Day!

In 1789, George Washington proclaimed a day of thanksgiving to God for the new nation's independence and constitution. In 1863 Abraham Lincoln declared Thanksgiving a nation holiday, in the midst of the Civil War, to heal the wounds of the nation. Today Thanksgiving is a time to enjoy family, friends and traditional foods, but also to remember the history and culture of the Native Americans. Oh, Oh, Oh, and some NFL Football.

Whats your favorite part of Thanksgiving?
