Valentine's Day

Decadent **Valentine's Day** desserts will put you in the mood for romance!

Whether it's a slice of cheesecake, a cookie or two, or a romantic fondue, dessert is the best way to say, "I love you."

On Valentine's Day, why not surprise your significant other with a home-made sweet? Better yet, make it together!

IMPORTANT NOTICE

All work orders **MUST** be submitted in writing via email or in person. Maintenance is available Tuesday thru Friday 7:30am to 6:00pm, but will not respond to any work orders unless it is in writing.

Happy Valentines Day

One of the most fun ways to pay your rent on time is to create a positive reinforcement system. Anytime you take care of a bill early or get your payment in by the deadline, treat yourself to something small. For example, you can go to a movie, have an at-home spa night or order out to eat. For a more direct consequence, you can bargain with yourself that you either pay the fees for a late rent submission or spend the same amount on something enjoyable.
